Before Your Visit

1. How much time do you spend discussing state government and civics in your classroom?

2. How was your experience in getting information about and reserving your school trip? Is there anything else that would have been helpful in planning your trip?

During Your Visit

1. How well did the Welcome Video work for your students? Was the content, pacing and length appropriate?

2. What did you and your students like best about the program?

3. How well do you feel the program fit content standards?

4. Was the timing and pacing of the program and the activities within appropriate? Would you have preferred more or less of any component of the program?

5. How well do you feel your students were engaged? How could we have engaged them better?

6. How might the program experience be improved?

After Your Visit

1. What other types of programs and activities would you like to see (this can include in-classroom activities or things to do following your visit)?
